# Data Centre & Server Room

## ISO 14644-9: Classification of surface particle cleanliness

This ISO document describes the classification of the particle contamination levels on solid surfaces in cleanrooms and associated controlled environments applications. Recommendations on testing and measuring methods as well as information about surface characteristics are given in informative annexes

It is currently a Committee Draft and is not yet available as a Standard.

### Technical Cleaning Services

- ✓ Data Centre Cleaning
- ✓ Server Room Cleaning
- ✓ Computer Room Cleaning
- ✓ Comms Room Cleaning
